

## Retractable Frame Sizes / Projections

12' x 10' ; 16' x 12' ; 20' x 12'

Choose from 3 motorized awnings in the most popular sizes. These sizes cover about 95% of customer shade needs. **Industry Exclusive** - For the first time ever our 16' & 20' Awnings feature 12' projection arms with integrated LED lights and EZ-Pitch adjustment as standard features!

## Most Standard Features In the Industry

### Adjustable Pitch

### Easily Adjusted With The Turn Of A Crank

Adjustable EZ-Pitch feature allows you to raise and lower the pitch of the awning to better defend against the sun or to allow for rain run off. Use the Hand Crank provided to simply turn the EZ- Pitch loop for pitch adjustment. Another way Marygrove is revolutionizing the awning industry!

### Integrated Housing Cover

*Integrated protective aluminum housing provides greater longevity of fabric.*

### Lighted Arms

Our integrated **LED Lighted Arms** are an industry exclusive and now come standard on ALL our retractable awnings.

# Our 3-3-9 Plan

## Matching Valances

**New in 2019/ Industry Exclusive** : All of our awnings now come with one straight and one sea wave valance. Choose the one that fits your mood!

## Industry - Leading Quality

Every Marygrove awning is made with industry-leading quality in mind. You'll enjoy these incredible retractable awnings for many trouble-free years. Explore the design, fabric, features, and accessories which have helped us revolutionize the awning industry.

## 100% Quality Fabrics

Marygrove has revolutionized the awning industry through its choice of fabrics. Our new **NEW Eco-Friendly polyester fabrics** are both 100% solution dyed and are 100% recyclable. These fabrics are now the **"Standard"** in the outdoor living furniture industry.
